

Recognition Boards

Recognition Boards are produced with a protective laminate finish on premium sign board. The boards are single-sided with a faux finish background and come with screws and high bond peel-and-stick adhesive for easy installation. The attached acrylic slide-in frames are 8.5" w x 11" h and allow you to print your own lists and photos for display. These boards are perfect for highlighting attendance, honor roll, sports teams, or any other school activity!
